

# Dog Care

By

Mrs. Frederick's Class

People and animals need the same things to  
be happy and healthy.  
Just like you, your dog needs food, water,  
shelter, grooming, health care, and love.  
Giving these things to your dog will help  
her stay happy and healthy.

## What Dogs Need:

Food

Water

Shelter and Weather Needs

Health Care

Grooming

Exercise

Time with you

Fun

Lesson Plan for Dog Care  
Mrs. Frederick's  
Moderate Special Education Class

Objective: After completing the "Dog Care" booklet, the kindergarten class will have a better understanding on how to care for your dog. There will be a pretest and posttest on dog care. Also the students will either write a poem on their pet or write a story about their pet or pet care.

The students in the moderate class will create a Dog Care Booklet using My Own Bookshelf. Digital pictures will be taken by the students of their dogs and Mrs. Frederick's dogs to be included in the booklet.
